Hi Doug:

Are you and your folks available this Thursday at 2:00 PM for a call to discuss some additional details and planning for the inspection and sample collection at [REDACTED] Ex. 7(A) [REDACTED]? We'll be inviting our colleagues in the EPA Region 1 office as well to provide some of the latest information they've obtained as well as some updated logistics.

Please let me know if that time will work for you guys and I'll follow-up with a meeting invitation and call-in information.

Thanks!
